Parking for UCIE is located here, on the west side of Engineering Bldg. West. Enter from S. Fifth Street.

DRIVING DIRECTIONS:

From I-70, take the Providence Road exit and turn south. Stay on Providence Road until you reach Stewart Road. Turn east on Stewart. You will drive up a hill past the University power plant. Take your first left on South Fifth Street. Take your second right into a parking lot (Lot RC-11) behind the Engineering West Bldg. You will find two marked parking spaces there for clients of the SBDC. **If those spaces are full**, exit the parking lot by taking a left on S. Fifth Street. Cross Stewart Road and take a left into the Conley Parking Garage. There you may park on the top level in the metered spaces. Take the stairwell to the street. Lafferre Hall is located on S. Sixth St., on the east side of the parking garage.

WALKING DIRECTIONS:

From behind Engineering Bldg. West, go through the building foyer and exit onto S. Sixth St. Cross the street on the slanted crosswalk, and enter Lafferre Hall. Take the stairs up to the next floor, walk past the Dean's Office, turn to the right and continue along the carpeted hallway until you reach the last door on your right -- W1052C.
From the Conley Garage, exit the garage, and on S. Sixth Street, walk north in front of Lafferre Hall. Take the main entrance, take the stairs up to the next floor, walk past the Dean's Office, turn to the right and continue along the carpeted hallway until reach the last door on the right -- W1052C.
